

# How Can I Be Successful in My Classes??

## Unit outline for easy school success.

1. Notes.....Cornell style proves best for most learners for high and low achievers
2. Daily studying...we know, not always how you want to spend your time, but effective nonetheless.
3. Know your leaning style...this helps when you need to make sure your brain is working on the same level as your teacher expects it to function.
4. Organize!...This means your notebooks, your LOCKER, and your time.
5. Study...in earnest, with some degree of dedication and commitment.
6. Learn how to take tests....there are various types and sizes, and there are keys and hints to do well at all of them. Find out the type of test it is, and study accordingly.
